Sir,

With reference to your letter No: 2549 dated 4th Ultimo, I have the honor to annex a schedule of the Establishment for the Sub Judge of Mysore, which I have formed, in consultation with Mr. Greenway, vizar, with effect from the 9th instant. The scale of the Bangalore Sub Judge's Establishment was adopted as requested —

2. I find that the Mushi and sweeper of the Bangalore Sub Judge are paid respectively at Rs 7 and 3, in contrast with the Additional Munsiffs' Gollar and Farash, paid respectively at Rs 6 and 4 — the Mushi is required to do more important work than the Gollar, who is only a boy, sans belt and badge — I beg leave therefore to propose that the pay of the Sub Judge's Mushi and sweeper may be raised to Rs 10 and 5, respectively, thereby putting these servants on a par with

ween of the same standing in other similar offices - I need hardly add that the increase of cost is so insignificant as not to call for any special remarks

3. The permanent Establishment of the Mysore Additional Munsiff has been duly provided for, and the process Establishment has been bodily transferred to the said Judge - It is probable that more process servers will be immediately required, but a separate communication will be made thereon in due course -

I have &c.
